Sono assolutamente convinto che, per l'Anniversario d'Oro del nostro evento, l'Italia e tutta la zona del lago di Garda e Franciacorta ospiteranno un evento eccezionale. Questo evento sarà eccezionale e memorabile non solo per gli impegnativi percorsi e le bellezze naturali di Arzaga e tutta la Franciacorta ma anche per l'eccellente programma e le attività organizzate dal Comitato Organizzativo. *President of the Province of Brescia*

E' con grande piacere che porto il mio saluto a questo grande appuntamento con il golf, sport nobile e antico, che da sempre richiama partecipanti da tutto il mondo. E l'appuntamento bresciano è per noi motivo di orgoglio e certamente un'occasione per far conoscere ai nostri ospiti le peculiarità del territorio: penso al clima mediterraneo dei nostri laghi, alla maestosità delle nostre montagne, alle tradizioni tipiche delle nostre valli; del resto la provincia di Brescia ha molto da offrire in termini di dimensioni, di paesaggi e di opportunità storico- culturali. Non dimentichiamo poi l'enogastronomia con le sue eccellenze: non solo Franciacorta, conosciuto in tutto il mondo, ma anche oli, salumi, formaggi, prodotti tipici che sapranno certamente mettere in risalto la capacità dei bresciani, storicamente e culturalmente dediti al lavoro, e in grado di produrre beni e servizi di altissima qualità, elementi da sempre vincenti per lo sviluppo della nostra economia. Quale migliore occasione dunque per mettere in vetrina tradizioni, colori e sapori della nostra meravigliosa provincia? Auguro le meritate soddisfazioni agli organizzatori di questo grande evento, certo del fatto che i nostri campi sportivi di grande livello, da quelli della Franciacorta fino al lago di Garda, saranno apprezzati per gli aspetti tecnici altamente riconosciuti.

I'm very pleased to welcome you to this great appointment with golf, a noble and ancient sport, that from immemorial time attracts participants from all over the world. For us the appointment in Brescia Province is a reason to be proud of and surely an occasion to let our guests know the characteristics of our territory: I'm talking about the Mediterranean climate of our lakes, the majesty of our mountains, the local traditions of our valleys; indeed the Province of Brescia has many things to offer in terms of dimensions, landscapes and historical-cultural opportunities. Don't forget wine and food too with their excellencies: not only Franciacorta wine, famous all over the world, but also oils, salami, cheese, local products that will certainly highlight the skills of the people from the Province of Brescia who are historically and culturally committed to their job and able to produce very high quality goods and services, always important elements for the development of our economy. So what better occasion to display the traditions, colours and flavours of our wonderful Province? I wish the Organizers of this important event a great success, I am confident that our high level Golf Courses, from the ones of Franciacorta up to the ones of Garda Lake, will be appreciated for their certified technical characteristics.

*District Governor 2050  
2013-14*

Cari Amici, Golfisti Rotariani arrivati nel Distretto 2050 da tutto il mondo, benvenuti!

Molti di voi già si conoscono, molti si conosceranno in questo splendido contesto del lago di Garda-Franciacorta.

La nostra scelta di vita nel Rotary fa sì che guardiamo insieme verso obiettivi comuni nell'ideale condiviso di donare sé stessi, prima di pensare a sé stessi e forse, in questi giorni, proprio lo stare bene insieme condividendo la passione per il golf, potrà essere l'occasione per trovare nuove idee per nuovi importanti progetti di servizio .

È questo il mio augurio: che stiate bene nella nostra terra, che possiate avere solo pensieri belli e positivi e che questi pensieri belli e positivi ispirino progetti di servizio da diffondere in tutto il mondo.

Un abbraccio a tutti.

*Vivere il Rotary – Cambiare vite!*

Dear Friends and Rotarian Golfers reaching the District 2050 from all over the world, welcome!

Many of you already know us, many others will know us in this beautiful scenery of Garda Lake-Franciacorta.

Our life choice in Rotary lead all of us to aim at the same goals, sharing ideals: giving ourselves to the others before thinking about our own needs, and probably, during these days, the possibility to enjoy good Fellowship and share our love for golf may be the occasion to find new ideas for new important service projects.

This is my wish: enjoy good Fellowship, have only good and positive thoughts and use these good and positive thoughts to develop service projects in order to spread them all over the world.

Warm Regards.

# 51<sup>st</sup> World Championship Adelaide, South Australia

We are looking forward to welcoming you all to 51<sup>st</sup> IGFR tour down under to South Australia, May 18-24, 2014.

Adelaide, named after a British Queen, was established, not as a penal colony, but a new home for entrepreneurial free settlers from England and we have prospered since 1836. With a population of a million people Adelaide is officially Australia's most liveable city. Everything is close at hand with our Hills and major beaches less than a half hour drive away.

The city is beautiful, presenting a kaleidoscope of superb Victorian architecture, preserved amidst chic, modern buildings and surrounded by magnificent parklands. Our unique Mediterranean climate provides a perfect setting for outdoor living. We grow the most fabulous foods in rich soil and clean air and catch the worlds favourite seafood in our pristine waters. Incredible nature-based adventures on Kangaroo Island or the famed Flinders Ranges are just a few hours away by ferry or car.

We are the recognised homeland of Australia's finest wines, Cultural Festivals and the Performing Arts. We're a fascinating mix, producing more Nobel Laureates than any other city and Rupert Murdoch's first newspaper that ignited a global News empire. The worlds greatest Cricketer, Sir Donald Bradman lived here and our beloved Adelaide Oval is the most beautiful cricket ground in the world. We punch well above our weight in the national obsession we call Australian Rules Football and in the Asian Soccer league.

### Urban cool

You'll be spoilt for choice. We're very friendly and welcoming to visitors, so you will easily drop in to our café culture lifestyle. Adelaide has a diverse cultural mix that guarantees sensational food of every origin, culminating in a fusion between Asian and Australian cuisine that will amaze you. Accommodation is world class and competitively priced.

### Weather

It will be Autumn in May and Adelaide daytime temperatures average 18°C (64.4°F) The days mostly sunny. Nights can be quite cool, so bring something warm for your nocturnal activities.

### Great Golfing.

We have chosen the best two courses in South Australia; Royal Adelaide and Kooyonga. Both are ranked among the top 20 in Australia. Each course has hosted the Australian Open and many other championships over the recent years. They will be in top condition for the IGFR tour as we will be in the middle of the Pennant Season, the premier competition for the best golfers in Adelaide.

### Royal Adelaide Golf Club

This traditional links course is remarkable and challenging. It has been the venue for international matches and championships for over 100 years. Royal Adelaide has hosted nine Australian Open Championships and sixteen Australian Amateur Championships. Royal Adelaide ranks number 10 in Australia and is one of the top 100 courses in the world.

### Kooyonga Golf Club

Is a wonderful example of a championship golf course in undulating sand hills just 15 minutes from the central business district of Adelaide. Kooyonga has a rich history and has hosted many international and interstate championships.

Kooyonga or 'Kooy' as we locals call it, has recently extended its magnificent clubhouse and facilities. From its dining areas and terraces you can relax and enjoy sweeping panoramic views, as close as you can get to the golf course without actually playing.

We are proud to be hosting the 51<sup>st</sup> IGFR, the fourth held in Australia and we very much look forward to welcoming you to Adelaide in 2014. *President FIG  
Italian Golf Association*

L'attività dell'Associazione Italiana Rotariani Golfisti è sicuramente meritevole di grande attenzione per il numero di appassionati coinvolti e per un calendario interno che sfiora i cento tornei l'anno, dove la quantità non si disgiunge mai dalla qualità. Nell'occasione l'Associazione è chiamata a un impegno di notevole prestigio in ambito sportivo, ma che investe le proprie indubbie capacità organizzative con l'allestimento del Campionato del Mondo dei Rotariani Golfisti.

Si celebrano anche i cinquant'anni della manifestazione, un passaggio quasi carismatico per un evento che, richiamando concorrenti da ogni continente, assume altresì un valore altamente promozionale. A dare maggior risalto a tale prerogativa, un territorio in cui il golf ha la sua matrice storica nel turismo golfistico, perché voluto molti anni addietro da albergatori lungimiranti, e dove continua ad essere seguito con la massima attenzione essendo una irrinunciabile risorsa.

Ai partecipanti sarà offerto uno spaccato delle potenzialità strutturali e organizzative del comprensorio attorno a Franciacorta e al Lago di Garda unite allo splendido scenario, alla superba ospitalità, agli inconfondibili risvolti artistici e culturali e alle peculiarità tecniche dei percorsi riassunte in quelli dell'Arzaga Golf Club, del Franciacorta Golf Club, del Gardagolf e del Chervò Golf San Vigilio dove avrà luogo il Campionato.

Già da mesi gli organizzatori hanno ricevuto un numero di adesioni ben superiore alle aspettative a testimonianza di un successo annunciato per il quale, anche a nome di tutto il Consiglio Federale, desidero congratularmi con Andrea Oddi, presidente dell'AIRG, con i suoi Consiglieri, con i Presidenti dei circoli interessati e con i loro efficientissimi staff, con gli Sponsor e con tutti coloro che hanno reso possibile la realizzazione di questo importante e atteso avvenimento.

The activity of the Italian Golfing Fellowship of Rotarians surely deserves great attention for the number of passionate golfers involved and for an Italian calendar including almost one hundred tournaments per year, where quantity is closely related to quality. On this occasion the Fellowship is called to deal with a really prestigious event in the sport sector and it invests its own undeniable organizational skills in organizing the 50th IGFR World Championship.

This year we are also celebrating the Golden Anniversary of the Championship, an almost charismatic step for an event that, by attracting participants from all continents, acquires a highly promotional meaning too. To give greater prominence to this prerogative there is a territory where golf has its historical matrix in golf tourism, as a vision of Hotel Owners many years ago, and where it is always followed with the greatest attention as a fundamental resource.

We will offer the participants an idea of the structural and organizational potentialities of the district around Franciacorta and Garda Lake together with the wonderful landscape, the splendid hospitality, the unique artistic and cultural elements and the technical characteristics of the golf courses of Arzaga Golf Club, Franciacorta Golf Club, Gardagolf and Chervò Golf San Vigilio, where the Championship will take place.

The organizers already received, months ago, a higher number of subscriptions than expected: this confirms an awaited success. For this reason, also on behalf of all Federal Board, I would like to congratulate Andrea Oddi, President of the Italian Golfing Fellowship of Rotarians, his Board Members, the Presidents of the involved Golf Club and their staff, the Sponsors and everyone that has made this important and awaited event possible.

## ARZAGA GOLF CLUB

18 buche d'autore par 72 disegnate da Jack Nicklaus II. 9 buche par 36 disegnate da Gary Player. I fairways si distendono sulle curve delle colline. Bunker e laghetti si annidano negli spettacolari giochi di luce e ombra al tramonto, attraverso querce, robinie e castagni: puro heathland inglese tra i colori e le sfumature del Garda. Fairways ampi per sfoderare i colpi migliori tra specchi d'acqua, alberi e bunker dalle profonde pareti erbose. Perché possiate giocare ogni ferro della vostra sacca. Perché corriate rischi e possiate raccogliere ricompense.

Bunkers and lakes are nesting in the spectacular plays of light and shadow at sunset across oak trees, locust trees and chestnut trees: pure English heathland with colourings and shades of Garda. The fairways wide to show off the best shots passing ponds, trees and bunkers. Play every iron in your bag. Take risks and reap rewards.
